To Whom It May Concern:

It is with pleasure that we write this letter of recommendation for Gerdes Construction. We have known Dan Gerdes for over six years. We first met when we hired him to build out office space for our Cardiology practice. Dan completed the work in a timely fashion and was on budget. His subcontractors were easy to work with and did a nice job. Based upon this positive experience, we hired Dan again last spring to remodel our newly purchased home. The house had been remodeled several times before so we ran into quite a few unexpected "treasures". Dan guided us thru these with minimal disruption and was still able to achieve the desired outcomes. We did have an issue with one of the subcontractors and Dan handled this situation well.

In closing, we can recommend Gerdes Construction without hesitation. Dan is a pleasure to work with and the two projects that he did for us were on time and on budget. Need I say more?

Sincerely,
Kenny and Mitzie Henson
