To Whom It May Concern:

In my capacity as Executive Director for the Siesta Key Chamber of Commerce, I wish to write this letter in strong recommendation of Dan Gerdes as a general contractor. Mr. Gerdes was contracted by the Chamber in 2013 in conjunction with a project whereby we sought to redesign and rebuild both our visitor center and business offices.

Throughout the course of the project Mr. Gerdes, his staff and his selected sub-contractors were not only easy to work with but they also delivered results that exceeded expectations. While I have had the pleasure of viewing some of Mr. Gerdes' previous projects, all of which have been impressive, it was a unique pleasure to have worked with him first-hand on a project.

It is certainly without hesitation that I would endorse Mr. Gerdes' work, both residential and commercial, for these reasons and in addition given the feedback I have received from my customers regarding the space.

Sincerely,

A handwritten signature in blue ink, appearing to be "K Cooper", is written over a light blue circular stamp.
